Hi Ehud ,

Thank you for your e mail.
As soon as I get the contact info for Andy Intrater , Brian will call him.
Daniel Friedman told Brian he was to meet with me and now I'm waiting to have his approval to my proposal for a meeting in Vancouver on Thursday.
No news from Locker . I gave him the contact with Kevin but I didn't hear from Kevin having any phone call from him.
Let's wait some more days.
Have a good holiday ! Enjoy being with all your family.
All the best , Jean

Jean Hi
I trust you and Daniella enjoy Canada's spring.
Pl find attached the countersigned NDA of ColumbusNova.
I think next step should be me sending them the brochure and to you the contact info of Andy Intrater, the CEO.
When this is completed (in one day) you can contact him through Brian to coordinate a meeting of professionals.
Best regards from Nili
Ehud
